

Workshop Descriptions:

The program includes the following two workshops:

VPDES Permit:

This program is designed to review recordkeeping and reporting requirements associated with the Virginia Pollutant Discharge Elimination System (VPDES) permit. The program will include discussions of recordkeeping requirements and the various reporting requirements established in VPDES permits.

The program will include hands on exercises in performing required calculations and completing a VPDES monthly discharge monitoring report (DMR).

Nutrient General Permit:

This program is designed to identify reporting requirements associated with the General Permit for Total Nitrogen and Total Phosphorus Discharges in the Chesapeake Bay Watershed. The program will review what reports must be submitted to comply with permit requirements and will focus on the methods and procedures required for completion of the Nutrient General Permit monthly discharge monitoring report (DMR) and Annual Report Form.

The program will include hands on exercises in performing required calculations and completing a DMR and Annual Report Form.

Who should attend:

Managers and responsible charge operators with responsibility for complying with recordkeeping and reporting requirements of the treatment system's VPDES and/or Nutrient General permit will find this program helpful.

Instructors:

The program will be instructed by members of the Department of Environmental Quality, Operator Training Program.

Wayne Staples (804) 698 – 4106
wayne.staples@deq.virginia.gov

Jason Spicer (804) 698 – 4143
jason.spicer@deq.virginia.gov

Registration & Fee:

Persons wishing to attend the program should complete the registration form and mail it along with the registration fee to the address shown on the form.

The “early” registration fee is \$37.50 per workshop. **Only checks or money orders are accepted.** The “early” registration period ends 7 business days prior to the start of the workshops. A late registration fee of \$12.50 per workshop will be assessed for registrations received after this period ends.

Persons registering for the program will receive an information package that includes directions and other pertinent information.

Training Credits:

Training credits will be awarded based on the workshop(s) attended. Both workshops have been approved by the Board for Waterworks and Wastewater Works Operators and Onsite Sewage System Professionals for the following training credits (TC) and can be used for experience substitution as permitted by the Board.

VPDES Permit:	0.35 TC
Nutrient General Permit:	0.30 TC

Continuing Professional Education:

One (1) CPE contact hour is awarded for every 50 minutes of training. A certificate will be mailed upon completion of the workshop.

Cancellation:

We reserve the right to cancel any program when there are insufficient registrations. People who registered will be notified of the cancellation and receive a full refund of the registration fee.

Additional Information:

For additional information, visit <http://www.deq.virginia.gov/Programs/Water/WastewaterAssistanceTraining/WastewaterTreatment.aspx> or contact the Operator Training Program staff.
